Once children have a secure knowledge of a number of GPC's (Grapheme Phoneme Correspondences) and are confidently blending, they will be ready for reading books

Prior to this they may have wordless books which develop great language skills and teach children the layout of books and how to handle books

Reading

We want children to love reading

Reading should be enjoyable

Learning to read should be a positive experience

We want children to read for pleasure

Reading underpins children's access to the curriculum and clearly impacts on their achievement

How we teach reading

Reading practice sessions are :

Timetabled 3 times a week

Taught by trained teacher or
teaching assistant

Taught in small groups

Books are :

matched to children's
secure phonic knowledge
and word reading

read three times

sent home

Reading Practice Books carefully matched so children can read fluently and independently

3 Reads – each one begins with some quick sounds and words practice

1. Decoding

2. Prosody
(intonation, expression)

3. Comprehension

When children take their book home to read they should be 95% fluent
Please do not worry that a book is too easy – your child needs to develop fluency and confidence in reading. Re-reading a book they have had before helps develop fluency – this is the goal.

Celebrate their success!!!

How will this work?

Children are assessed, then LW matches which books should be allocated for their secure phonic knowledge

Children will take their Reading Practice Book home (after reading it 3 times in school)
Books will be changed on a Friday

Celebrate, praise, talk about the book with you child.

Please make sure books are in book bags so that we can reallocate books as required

Please look after our books

Big Cat Collins Reading books are carefully matched to children's secure phonic knowledge

Sharing Book

Children will also bring home a 'sharing book' from our school library each day – they can keep this for as long as they would like to but we are offering them three opportunities a week to change it.

To become lifelong readers, it is essential that they read for pleasure

Children may not be able to read this book independently but these books offer a wealth of opportunities for talking about the pictures and enjoying the story or information in the text.

Enjoy the book together
foster a love of reading
“pair and share”

What else can parents do?

Please look at the Little Wandle videos and guidance for parents

Support children in learning the alphabetic code

Let your child “show off” their reading to you and celebrate and praise all the way!

Share books with your children for pleasure

Over the coming weeks LW resources will be added to the class teams page to support reading and phonics
