

# Bags2School

## Collection on Friday, 9<sup>th</sup> December 2016

If you have any unwanted clothes for adults or children, please make use of these bags and bring them into school to be collected for charity.

Bags2School is a brilliant fundraising scheme which works in partnership with schools, business, community groups and charities collecting and selling unwanted textiles to importers and wholesalers in Eastern Europe, Africa and Asia. A list of what you can and can't donate is printed on the bags.

The clothes are sorted and weighed and The Friends are given money for our donation. If you need more bags just ask Mary or Ada in the school office, there are plenty more in our FOS box. You can also use black bin liners as long as they are tied up well so they don't get wet.

Please leave all bags by the bicycle shed at 9am on Friday. For more information see the Bags2School website.
