

Friends of Stoke by Nayland CofE Primary School

A helping hand, working for your children

Fathers' Day Gifts

Father's Day will soon be upon us as it falls on Sunday, 17th June, so we've started organising a gift the children can make to give to their wonderful dads, grandads, uncles or indeed, any special men in their lives.

This year the children will be making keyrings, so for your chance to order one, please fill in the form below saying who the gift is for and return it to the office with the money enclosed. The keyrings cost £2 and you can order as many as you like.

To avoid disappointment, please get your order forms in asap to give us enough time to sort supplies.

The crafting sessions will start after half term. If anyone would like to come and help the children I'm sure Jane Collins (Libby, Silver Birch) and Kate Pomphrett (Annabel, Oak) will be very glad to hear from you.

Thank you for your support.
