

IMPACT OF SPORTS PREMIUM 2016/17

Specialist coaching services	Develop the skills of all children with focused coaching ensuring high quality provision for all.
PE Conference & supply cover	PE coordinator un able to attend this year
Staff CPD Shallow water course x 2 staff	Staff can safely take the children swimming.
Appointment of a lunchtime Sports Play Leader	Children are more active and involved in team games. Year 5/6 children develop leadership skills under supervision of the play leader. Children who struggle with playtimes have an activity they can choose. This also adds to overall pupil activity and fitness. This was increased to 5 lunchtimes per week
Play Leader Training & half a day supply	Training provide support for a new play leader
Supply Cover to release PE Coordinator 1 day	Carried forward-teacher unable to attend
Coaches to tournaments	KS2 able to take part in pyramid based competitions eg gymnastics and multi sports
Equipment for new curriculum	Replacement and new equipment enhanced access during lessons and in clubs
PE KIT - Gymnastics	Carried forward as not required this year
Change for Life resources	Carried forward
Gym Trail Equipment	Alternative source of funding so carried forward
Sports Day Accessories	Not required this year
Extra Sports coaching (Tennis/Golf/Dance/Gymnastics)	A table tennis club was run by a member of teaching staff so cost was saved apart from some replacement resources. Year 6 pupils involved in running the club too, which contributed to their sports and community awards. This club provided variety and a different opportunity to our other clubs.
Maypole and accessories	Great exercise for all ages improving stamina and coordination. Able to take part in displays. Also parents involved! This was an addition as some planned expenditure was not possible.
