With most clubs the payments are made directly to the person running the club and they will explain how they would like to receive payment. **Please bear in mind that in the case of out of school providers, this is part of their employment and it is not unreasonable for them to ask for payment in advance if they wish.** Although there are sometimes genuine reasons why children cannot attend a club after joining, we would like to encourage regular attendance, especially where teams or groups are involved.

Please complete the slip below to register your interest in any of these clubs. Places will be allocated on a first come basis.
