21st June 2017

Dear Parents, grandparents, and others who hear your children read,

Helping Your Child with Reading
Wednesday 28th June
Session 1: 4:00PM
Session 2: 6:00PM

As mentioned in the May newsletter and the parent diary, we will be holding an information evening for parents and others who hear your children read at home. This will be an opportunity to find out how we start children on the road to becoming fluent readers and also how you can support your children with the higher order reading and comprehension skills that are so vital for their future as they progress through the school.

We will take you through early phonic work, how that progresses to using context, how vocabulary and understanding are developed, to the skills that are needed to develop higher order comprehension. The sessions are suitable for parents with children in all year groups.

There will be examples of books and websites and other resources we use in school and resources you can use at home.

We are offering 2 sessions. It would be very helpful if you could return the slip below so we have an idea of how many people would like to come. We do not expect the meeting to last more than about an hour.

Yours sincerely

Jane Le Grice
