

Summer holiday project

During the Summer holiday, I would like you to partake in a little activity for me. To do this you will need:

1. Empty shoe box
2. Something to cover it with (be creative)
3. Small artefacts/pictures/mementos etc to place in the box to remind you of your holiday away (or special day at home) and to be able to talk and give a presentation to the rest of the class.

Here are a couple of ideas that might help you:

Box 1 – A small diary containing entries from your time on holiday or a few special days at home. Pictures of special moments/people/places.

Box 2 – Using the box as a shell, a modelled scene from a favourite day or few days of your holiday. Maybe you will choose Lego to model or maybe modelling clay? Be as creative as you want to be.

Box 3 – A selection of interesting objects that sum up your holiday.

Please don't worry if you are not going on holiday during the summer break. You can still join in. Please just choose an activity or a day of activities that you would like to talk to us about. Maybe it could be as simple as "your Grandma came to stay"

This homework is due in on:

- **Wednesday 6th September.** We will be making a display of these boxes after we have presented them to the rest of the class so please make sure you put all your effort into making them a piece of work to be proud of.
