22<sup>nd</sup> February 2018

Dear Parents,

## Year 6 SATS Information

For those of you who were not able to attend the Year 6 SATS meeting I am sending home a print out of the power-point and a parents' booklet to help support your child with Spelling, Punctuation and Grammar.

Please take time to read the information as it will help to support your child in their last year of primary school. The power-point will also be available on the website shortly.

The Grammar booklet is intended as information for you on the many terms used in this aspect of English. The test in May will not cover all aspects, but of course, we will not know what is included on the paper until it is opened on the day!

Children often find it difficult to remember the word for and aspect of grammar (eg adverb or passive voice) even if they understand how to use it when writing. This book will make sure that you are able to support your child.

There are exercises that can be done with your child, but it is not intended that it is done in a certain order or to be handed back to school. Please do not try and do everything at once. When your child has homework it can be used as a reference to support their work and to provide a little extra practice.

Over the coming weeks there will be more information and support for you and your child. If you have any questions, then please do not hesitate to speak to Mrs Savory or me.

Yours sincerely

Jane Le Grice  
Headteacher
