Dear parents,

Please find below a new set of themes and dates for our Thursday 'show and tell' sessions this half term which fit in with our curriculum.

We will be continuing to encourage all the children to read each night to a parent/carer by offering a class reward that will build up each time they read to an adult and have it recorded in their reading diary. Please can you support them with this as this early reading experience really does support their reading and writing ability and many children are not reading to an adult at home.

Please could you also support them to learn their spellings every week. If your child has access to a computer and enjoys our Mathletics programme then please encourage them to have a go at that each week too.
