Dear Parents and Carers,

Transition Family Interviews

As part of our transition programme to support students moving into Year 7 at Thomas Gainsborough School in September 2017, Heads of House and Senior Staff from school will be visiting your child's primary school on Wednesday 29th March to hold interviews with both students and their parents.

These interviews offer the opportunity to select their Curriculum Pathway, as explained in the transition booklet you have received, as well as discussing the individual needs of your child. We would be grateful if you could arrange an appropriate appointment time for this day with your primary school.

If you are unable to attend this family interview, we will still meet with your child at their primary school, but if you would still like to discuss the Curriculum Pathway choices and any other matters about your child's transition to Thomas Gainsborough School you are welcome to arrange an alternative appointment with a member of our senior staff. These can be organised by contacting Miss Abbie Tamsett at Thomas Gainsborough School. Miss Tamsett can be contacted via email atamsett@tgschool.net or by telephone – 01787 375232.

We have included with this letter, a data collection form and Paracetamol permission form which we would be grateful if you could complete and bring with you to the interview. In addition please find enclosed information regarding applications for Free School Meals. If you already receive or think you could be entitled to Free School Meals, please complete the form and return to Suffolk County Council or you can apply online via the Suffolk County Council website.

We look forward to meeting with you and your child.

Yours faithfully,

A handwritten signature in black ink that reads "N. Wilby".
