Volume 17 2019/20 Issue 13

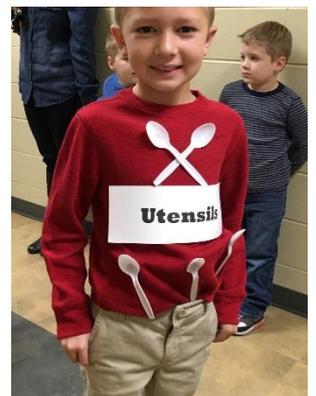

7th February 2020

Dear Parents and Friends,

World Book Day

World book is on **Thursday 5th March**. This year we are holding a book at bedtime event whereby we are inviting the children to come back to school at 6pm in their pyjamas to listen to some stories and have a hot chocolate and a biscuit. Please complete the attached consent form if your child would like to join in with this.

We are also holding a vocabulary parade on **Friday 6th March**, children are invited to dress up as a word. Please see the examples included. If you google 'vocabulary parade', you will find lots more to inspire you!

Maths Success

A few of our pupils from Year 5 took part in the Primary Maths Challenge, held at TGS this week. The team faced 8 different rounds of maths problems and were there for three days!

Lizzie said, "It was fun and we met different children. The maths was quite challenging."

Evie also attended and remarked, "It was a great experience and I really enjoyed the day," and Maisie added, "I liked doing the treasure hunt and I was very proud because our table won." Well done to all that took part.

Open Maths Lesson

You are invited to come and join your child/children in an open maths lesson on **Thursday 12th March** at 9.15.

Donations for Spiritual Garden

If you have any plants/bulbs/furniture/decorations you are able to donate for our spiritual garden we would be most grateful please. Classes have been talking about what they would like to include in the area. Thank you!
