

# STOKE-BY-NAYLAND C.E.V.C. PRIMARY SCHOOL NEWSLETTER

Volume 14 2016/17 Issue 7

19<sup>th</sup> April 2017

Dear Parents,

Welcome back to the Summer Term. A diary will be sent out shortly, but in the meantime here are some early dates for your diary and some reminders, and items of news.

**REMINDER:** FOS meeting this Friday, 3:45 in Maple class

### Staff News

At our Easter Service we said a fond farewell to Miss Self and as you know, Mrs Savory is covering in Maple class alongside Mrs Pilkington, until after half term. Mrs Phillips will be leaving us at half term to take maternity leave. It had already been planned for Mrs Savory to then cover this maternity leave. Further details of staffing will follow shortly.

Mrs Hayes has joined our staff this term as a Teaching Assistant to work mainly in Oak class. This is because Mrs Taylor has had to reduce her hours for personal reasons. I am pleased to say however that Mrs Taylor will still be working with us on Tuesdays and occasional other days.

### Mathletics

Well done to all our Mathletics certificate winners, but especially to Byron who was awarded a gold certificate. Certificates are usually given out weekly on assembly and each class competes for possession of the weekly Mathletics

(Saplings) a Friday in trophy.

### Online Safety

In the newsletter at the end of March, I talked about an 'Online Safety Meeting' for parents to help you understand how to allow your child safe internet access, without leaving them vulnerable. There will be 2 meetings:

**Thursday 4<sup>th</sup> May at 4:00pm**

**Thursday 4<sup>th</sup> May at 6:30pm**

Please watch out for a separate letter inviting you to attend either of these meetings.

### Year 5/6 Residential Trip

There will be a meeting for parents and children who will be going on the residential trip to Danbury Outdoor Learning Centre just before half term. Please look out for the separate letter about this. Also, a reminder that the final Danbury payment is now due.

### KS2 SATS

Children in year 6 have been working really hard over the last term to complete their English and Maths curriculum and revise for SATS. Most have them have been to every SATS Booster Class-that's 3 times a week at 8:20 AM. SATS week for year 6 is 8<sup>th</sup>-11<sup>th</sup> May inclusive.

### St George's Day Lunch

A reminder that on Monday 24<sup>th</sup> April there will be a St George's Day themed meal. (Details were sent home last term). This meal replaces the advertised menu that day.

Best Wishes  
Jane Le Grice
