Swimming Data

Please report on your Swimming Data below.

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B. Complete this section as best you can. For example, you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.</p> <p>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the NC programme of study</p>	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year, please report on their attainment on leaving primary school at the end of the summer term 2024.</p> <p>Please see note above</p>	100
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p> <p>Please see note above</p>	80
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	80
<p>Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming, but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	No

Key indicator 5: Increased participation in competitive sport				Percentage of total allocation:
				38%
Intent	Implementation		Impact	
Your school focus should be clear on what you want the pupils to know and be able to do. What do they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: What do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps:
Through the school, pupils have opportunities to compete in competitive sporting fixtures, tournaments and events. Pupils are well-prepared for these experiences through prior teaching/coaching and access to appropriate equipment and facilities. Equipment and facilities are upgraded, so that the school can host other schools for competitive fixtures	Staff development and training to be confident to support competitive sport.	£145	High number of pupils from all groups participate in fixtures/tournaments. Pupil and staff perceptions indicate these experiences are positive.	Improvements in equipment and facilities will benefit future cohorts. Minibus training will allow school to access transport more cost effectively in future, making attendance at fixtures / tournaments more likely.
