

Swimming Data July 2021

During 2020-2021, children were unable to access school swimming lessons due to the Covid-19 pandemic. The pupils who finished Key stage 2 in July 2021 had accessed school swimming lessons in previous academic years. Therefore, the data below relates to the achievement of Year 6 pupils when this cohort completed Year 5 in July 2020. It is our aim to help every child reach a minimum standard by the end of year 6. Some children achieve much more than this, attaining long distance certificates and other skills awards.

Swimming Information End of Key Stage 2 2021		
ASPECT	% ACHIEVED	NOTES
Swim competently, confidently and proficiently over a distance of at least 25 metres	85.7%	7 children in total in the cohort had school swimming lessons and assessments in previous years – each child is worth approximately 14.3%
Use a range of strokes effectively	85.7%	
Perform safe self-rescue in different water-based situation	85.7%
