Instilling Courage, Creativity, Compassion and Curiosity and always striving to be the best that we can be

‘APPLY YOUR HEART TO DISCIPLINE AND YOUR EARS TO WORDS OF KNOWLEDGE’ – PROVERBS 23:12

12th February

Dear Parents and Friends,

Thank you all so much for your hard work this half term – there has been some wonderful learning going on and the children should be very proud of themselves. We hope you can enjoy a relaxing half term, and we will look forward to starting our ‘Sensational Science’ topic when we come back.

Staff Leaving

We are sadly saying goodbye to two very valued members of staff. Mrs Taylor will be retiring from her position following many wonderful years of working at the school, and Mrs Hayhow is also leaving us at this time. We will miss them greatly and wish them all the best in the future.

Gold Book Awards

This week, our Gold Book Awards go to Lola-Rose in Saplings Class, who drew a beautiful peacock. In Chestnut Class, Cerys was awarded one for her amazing phonics and Michael for showing incredible maths skills. Lizzie in Oak, was chosen for her fantastic home learning.

We would like to say a big well done to all of those pupils.

Well-being Packs

Our school council, together with Chestnut class, have worked to create wellbeing packs for all our pupils in response to Children’s Mental Health week. There is one for every child which includes activities, bubbles and a book from the school library - which we ask to be returned when your child comes back to school. If you would like one for your child, please come and collect it from the Office as soon as possible.

Stoke-by-Nayland Parish Churches Activities

Please click the links below for various activities set up by our local churches. There are many things here for children to do at home, and it is frequently updated:
