**'APPLY YOUR HEART TO DISCIPLINE AND YOUR EARS TO WORDS OF KNOWLEDGE' – PROVERBS 23:12**

**19th March 2021**

Dear Parents/Carers,

This afternoon I have walked around the school to see Chestnut Class listening attentively and learning French words about Easter, I have listened to Oak Class playing in two parts on their clarinets and watched Saplings Class playing teams games happily outside. It has been a pleasure to see the wonderful learning that has been going on, on a typical Friday afternoon.

We have been working hard over the last two weeks to re-establish routines for our children and would like to thank you for working with us to ensure the best possible learning environment during this transition. We understand that there has to be a period of readjustment but we have high expectations for behaviour and appreciate your support in reminding the children of what is expected of them.

## **PE Kits**

Please ensure that on PE days children come to school in trainers, and when children stay to after school sport clubs, they need to come to school with the appropriate kit to change into. Children need to be dressed to go outside whatever the weather!

## **Red Nose Day**

It was lovely to see the amazing effort made by our pupils and members of staff in raising money for Comic Relief. Thanks to all of the donations, we raised an amazing £44, so a big well done to everyone who contributed.

## **Emailing the school**

A gentle reminder to all, if you are emailing the school, please send all enquiries to the office account — [admin@sbn.suffolk.sch.uk](mailto:admin@sbn.suffolk.sch.uk) — as all messages, when received, will then be dealt with or forwarded to relevant staff. Please do not email any member of staff directly, only the office. Thank you.

## **Quiet Area Planters**

Thanks to a generous donation from Perrywoods and the hard work of our gardening team, we now have some beautiful flowers on the way to the school to brighten up the quiet area.

### **Clubs at Stoke by Nayland**

Our football and ultimate Frisbee club are only two of the many clubs we have on offer.

### **Eco Balloon Race**

We would like to encourage you to sign up and buy a balloon (or two) in the Easter virtual balloon race. For every balloon sold, we will receive a percentage for the school and this will go towards buying some new programming equipment to support the Computing curriculum. There will be Easter eggs for those who are positioned first, second and third at SBN and there are also national prizes up for grabs too!
